The main purpose of attending high school is to learn as much as C. H. S. has to offer. Scholastically the students on this page are tops in the graduating class of 1950. These students represent the upper twenty per cent of their class. Many times not much mention is given to these deserving students.

Named valedictorian and salutatorian of the graduating class were Gordon Adams and Lee Pence.

These students have all been active in extra-curricular activities also. From these students have come the president of the Student Council, president of the "C" Club, Cheerleaders, speech contestant, music representatives, and editor of the SEQUENCE.

Congratulations are in order for these outstanding students.

GORDON ADAMS - - Valedictorian

LEE PENCE - - Salutatorian

Class Prophecy

THE TIME: June 2, 1960
THE PLACE: Cutright Park, Chillicothe, Ill.

In the distance we see the twinkling lights of the great Metropolis, Chillicothe. We hear the music of carousels and the harsh coaxing of the side shows barkers of the huge fair.

"Hear ye! Hear ye! Step right this way ladies and gentlemen! See the greatest, most colossal fair in the history of this fair city."

We walk along the paths and peep in at the various shows. On the stage of one we see a beautiful girl dancing. The barker is calling, "Step right up and see the most beautiful creature ever seen." Having arrived close enough to get a close look, we see to our suprise, Miss, BARBARA "Salome" REYNOLDS, still doing her wonderful dance that made her so famous at dear, old Chilli High.

Wandering on, we hear a politician making speeches on a soap-box waving his arms furiously and his mad ravings resound around the park far above the loud music. "Ladies and gentlemen, we cannot tolerate the vast corruption of this city. No beer! No cigarettes! What is this world coming to? Act! Think later! This, ladies and gentlemen, is my policy!" A moment later we start and recognize our good friend, "GOOD SAM" BRADLEY, still at it!

Our attention is called to a huge, strong man lifting 1,000 pound weights. In huge letters above him, there is a sign that reads: "THE STRONGEST MAN IN THE WORLD! SEE HIM! HEAR HIM! SLAP HIM!" A moment later we recognize the graceful form clad in leopard skin, none other than "ROCKS SAMSON" HAWLEY. We rush up to have a word with him. "Why did you choose this profession, Mr. HAWLEY?" "Well," he drawled, "My strong-man act in the Senior Assembly that we gave in 1950 was so good, that I decided to make this my profession." Ha!

Having secured his autograph in our books, we continue on our way. We see a crowd roaring with laughter. We immediately investigate the cause of this merriment. There beside a tent, calling at the top of his voice, is JAMES CASEY. "Be the one to throw this old ripe tomato at this idiotic, flea-bitten, hilarious clown!" Peering closely, we see the red, tomato-smeared face of the one and only RICHARD ZILM. Throwing tomatoes at him furiously we see his lifetime friend, RUSSELL SISK, enjoying this immensely.

Our eye catches something new in the way of carnival shows. A fashion show. We see a man parading around gracefully amid the wolf calls of the young women in the crowd. We recognize our old classmate LLOYD GASWAY, modeling the latest thing in tight levis. Among the loudest whistlers in the crowd we find COLLEEN IRVIN, who has changed from her shy ways.

We decide to go to the free act show, having learned the art of thrift in our last year of high school! "We hear the soft, resonant strains of Hawaiian music and two girls in grass skirts and leis appear on the stage. This time RAAMAH SUTTON and JOYCE LAHNE go through their Hawaiian dance without the censorship of school teachers.

Next upon the stage we see the siren. TINKLE ROEBUCK, who has never settled to one man. After this thrilling act, we are quite surprised and also quite honored to see TOM ROHMAN leading his prize champion pig, the joy of his life, across the stage. After dutifully enjoying this lesson in agriculture, there appears a line of beautiful girls, SARAH NOLAN, MARY JANE MURPHY, SHIRLEY LAWRENCE, LOIS SMITH, and HARRIET ADAMS. We are hungry after all this excitement and we decide to get refreshments. There behind the counter we find MARILYN MURPHY, still happily slinging hash and whistling a gay Irish tune.

The gambling booths are always interesting. Here we find the professor of mathematics, LEVON PENCE, with his arms full of prizes. The "Brain" has figured out the mathematical solution to the gambling gadget and is enjoying the profits. With him we find his wife, PAT, and all their little "Pistols".

About this time we find that the refreshments that we have eaten do not agree with our stomachs. Must be MARILYN'S food! We cry for help and three nurses rush to our aid. Imagine meeting BOBBIE LYTLE, PAT COON, and GERRY NORTHRUP in this maner! Feeling better, our attention is called to a woman vainly trying to quiet her b r o o d of children. We recognize BEV ARNOLD and happen to recall that she has been voted "Mother of the Year", having given birth to two sets of quadruplets.

Going on, we spy a freak show and seat ourselves. Here we see "Giant" B I L L LEMASTER, a n d midgets, DOROTHY SCHAFFNER, CHUCK MAGEE, and BOB ANDES. At this point we see ALBERT SEE with his unshaven beard and chattering away swinging on the limb of a tree, posing as one of his ancestors. Next to him we see our dear friend, MARJORIE McCORMICK, confined to a cage and laughing hysterically. We strain our eyes and finally read the small label on the cage. It r e a d s, "Here sits MARGIE McCORMICK, the laughing hyena. Cause of condition — the strain of editing the 1950 SEQUENCE."

Ah, a cloud of dust in the distance! It's a bus! Here c o m e s "old faithful", ANITA PELINI, bringing in another busload of show lovers to our famous fair grounds.

We stop to buy b a l l o o n s and talk to BONNIE KING who is selling them and making quite a profit. We ask about our friends, ROSIE SMITH and BEV. TAYLOR, and she replies, "They manage a large chain of theaters and DON RANKIN is now manager of the Penney Store, who specializes in selling Harriet's Hankies.

Continuing on our way, we hear the sound of roaring automobiles and enter a show to see the daring feats of daredevil driver, JOY WEBBER and her husband, Sarge. After this incident, we need some soothing music and proceed to the music stand featuring BILL SEE'S H o t l i c k s accompanied by HELEN BREWER on the piano. Here we find LUELLA BECKHOLT giving MARIAN a hot-foot, still up to her little jokes.

Among the other livestock we find, farmers BILL VONK, and GERALD RICHARDSON competing in a hog-calling contest. We leave them there, still yelling and go to see MARY JEAN HARLAN, comedy singer and dancer.

We hear the wild beating of the jungle drums and run face to face with "MURPH". We find ourselves swaying to the rhythm of his drums. Beside him, we find his accomplice, RUSS BUTTON, screaming at the top of his lungs about the beautiful dancing girls. (we knew they would end up here!) This show features "LONG LEGS" SEMTNER, "BUBBLES" J A C K S O N , F I F I KEHLENBACH.

Our eyes bulge as we round the corner to find MILDRED STOECKER, MIDGE CAMERON, and DONNA STAUDENMAIER selling kisses for $5.00. First in line. we find BACHELOR TAYLOR, and GORDON ADAMS and ROBERT McGEE.

Catching our breath, we find LOIS SMITH telling fortunes. Outside the tent BILL PATTON and ELDON STREET are selling 'STREET 'n' PATTON'S HAIR RESTORER' to Mr. Parvin and Mr. Tennant. Beside them we find dear old GIB JONES selling brain restorer to BILL ZEHR, who will certainly put it to use!

And here we spy another novelty. The lightning track star, "FLASH" CAIN, runing a race against an Indian Mongoose. It seems that dear old CAIN won't ever give up. Guess who won!

And last, but not least, we find our friend, MARLENE PAYNE, busily cleaning the ice cream off Hubby Corky Thompson's suit, having learned the habit from working at Chief Cleaners. We must add here that her house is spotless. Small Wonder!
Ho hum! There's no business like show business! ! !

The school year 1949-50 marked one of the best years in Chilli High's Student Council history. Headed by a very capable leader, senior Beverly Arnold, the members sponsored the biggest Homecoming ever held at C. H. S. They sponsored many excellent assemblies during the school year including Galen Harvey, pianist, Bobo the magician, the movies "Les Miserables" and "Anna and the King of Siam" and several other equally fine programs. The Council also did a very efficient job of organizing and arranging the school calendar.

Other officers of the Council this year were Jack Bradley, Vice-President, Annette Grogan, Secretary, and Joyce Fisher, Treasurer. Principal Parr acted as faculty advisor for the group.

The Tempest

Where would we get all of our news, and scandal, and views, if it weren't for the Tempest? ? ? We always look forward to the day when we "troop" through the halls of C. H. S. to receive the news "hot off the press."

FHA

The Future Homemakers of America take an active part in the activities during the year. At frequent times they bake and sell cookies in the hall at noon, which are enjoyed very much by everyone. In the spring they have a Style Show and model their work in the sewing department for the year. Each year they select a girl, to represent our high school and send her to the F. H. A. Camp. These are just a few of the things the F. H. A. does for the girls.

F. F. A.

The Future Farmers of America is one of many important organizations in school. The boys have projects during the year and enter them in contests in different districts. Another event that the F. F. A. boys participate in is the Public Speaking Contest and Parliamentary Procedure Contest.

Homecoming

The 1949 Homecoming was a gala affair beginning with the Snake Dance on Thursday evening through the dance the following evening. The climax of Homecoming festivities came when Don Rankin placed the queen's crown of talisman roses on the head of Senior Barbara Reynolds.

The float parade was the biggest ever with 15 entries. Winner of the trophy, given for the first time this year, was Masque and Gavel. The chorus float and the "C" Club were both given Honorable Mention.

Masque and Gavel

A prominent group at Chilli High since its founding several years ago has been the Masque and Gavel. During the year they have presented many interesting programs for clubs and organizations in the community, presented a radio program over W.M.B.D., and made an excellent showing at the annual speech contest. Larry Brown entered the Legion Oratorical Contest with an original oration and also entered it in the District Contest. Other entries in the contest were Jackie Nielson, verse reading, Richard Zilm, humorous reading, and the play "The Minuet" was presented by Jackie Nielsen, Larry Brown, and Lee Von Pence.

Assemblies

Among the many fine things sponsored by the Student Council this year has been the excellent assemblies and movies brought to the student body. This year the students attended such interesting programs as those presented by the Swiss Bell Ringers and Galen Harvey on the piano. Movies that the students enjoyed this year were "Swanee River", "Les Miserables", "Anna and the King of Siam", "Winter Carnival", and "Guadalcanal Diary".

The students themselves presented several excellent assemblies. Well remembered from this year's student assemblies will be the senior chorus line, both male and female, the junior dummies, the Award's Day presentations, Bradley and Zilm's "You Are My Sunshine", Larry Brown's "Temptation", and "My Desire", and the Bradley, Zilm, Brown rendition of "May I Sleep In Your Barn Tonight, Mister?".

The soft, sweet music of Ray Dixon and his orchestra, the swish of multi-colored formals, Queen Barbara Reifsteck and King Dick Smith, leading the Grand March, the balloon ceiling of the gym and the beautiful seashore decorations all combined made the 1950 Junior-Senior Prom one of the most successful in many years. The juniors deserve much credit for the planning and foresight which made this Prom so successful.

The theme of the dance was "Blue Moon". The decorations carried out this theme quite effectively. Gay colored balloons were suspended from the ceiling, the walls of the gym were decorated with a crisscross of blue crepe paper, and below this was a wide strip of painted decorating cardboard resembling water and waves. Above the Queen's chair was a silvery moon with shimering stars hanging on each side. In the balcony the Junior's mothers had prepared a delicious Smorgasbord for the juniors and seniors and their guests.

Frosh Initiation

With a characteristic green crowd of freshmen, the initiation was a huge success. With the usual amount of lipstick and eye shadow the frosh looked just the same as they acted. The girls admired Chuck Predmore's manly physique in those cute three cornered diapers. The boys enjoyed Loretta Neal's chorus girl figure in her sharp bathing suit. The frosh took it with a grin and enjoyed the fun as much as the Sophomores themselves.

These Students Are Tops

The students pictured on this page have held some of the most responsible positions here at Chilli High or have represented our school with their artistic skills. They have worked hard to make us proud of Chilli High and deserve much credit. They are:

2. Joe Elliott -- Sophomore Class President
3. Larry Brown -- Junior Class President
4. Jack Bradley -- Senior Class President
5. Nancy Green -- Tempest Editor

Library

Although a comparatively small group in school it has been one of the most active. Under the leadership of Mrs. Mac the librarians have very efficiently run the library. During the week before Christmas vacation the students operated the library in the absence of Mrs. Mac.

During the year the librarians held several parties for the group at Root's Cabin. They built a float for the Homecoming Parade. It was an exceptionally fine float. In February the staff sponsored an assembly for the entire student body. Every member of the staff took an active part in the assembly and it was well received by the entire student body.

DRUM MAJORETTES

MIXED CHORUS SOLOISTS

Under the leadership of Norman Curry, new music instructor of C. H. S., the band and chorus both took great strides forward in becoming more prominent parts of the high school extra-curricular activities. Among the programs presented by the music department were the Christmas program, a special P. T. A. program, an All School Spring Musical, and the Annual Spring Concert.

Several special events were sponsored by the band in order to raise money to purchase new band uniforms. Among these were the popular Square Dances conducted every other Saturday evening in the new gym during the winter. The music department also sponsored an appearance of the Bradley Band.

Sewing, cooking, and the art of homemaking is taught in the Home Ec. Classes of C. H. S. The girls learn everything from the correct method of sewing on buttons to how to bake beautiful, light, fluffy, cakes.

During the first semester the teachers of this course were Mrs. Clarence Pruit and Mrs. Gene Maxwell. However Mrs. Maxwell had to resign at the end of the first semester and Miss Eterno was hired to fill her place in the Home Ec. Dept.

Many beautiful garments were made and modeled in the annual Style Show which the classes in connection with the F. H. A. puts on each spring. The department also exhibited several projects of the girls in Open House held in the spring.

Industrial Arts

One of the most practical courses offered here at Chilli High is the Industrial Arts courses under the direction of Mr. Tennant. Here the boys learn the techniques of operating wood and metal lathes, refinishing articles, and building articles from scratch. Many fine articles were produced by the boys in the classes this year. These articles range from the fine gun cabinet made by Jon Babington to small table lamps, metal plates, and small jewelry boxes. This year these courses have become one of the most prominent at C. H. S.

THE GAME OF FOOTBALL

Football is a sport which was designed to develop the rugged individualism of the men who play it. This ruggedness plus the good clean sportsmanlike manner which the members of the team have exemplified this year makes our school proud to claim the "Football Squad of 1949" an important part of Chillicothe High. These players above have represented our school well.

Highlites of the Ghost's Season

The last days of August and the first of September were sweltering days, but that made no difference to some seventy aspirants who made up the frosh-soph and varsity squads. The varsity squad was well rewarded for their efforts as they took a well played game from the Princeville Princes. The game marked the dedication of the Prince's new field and found them fighting their hearts out for a victory, but the Ghosts led by Horton and Ramos built up a 12-0 halftime lead and then staved off a desperate rally by the Princes to win 14-12. A safety by Horton proved the margin of victory.

The Ghosts first home game was with Bradford and the visitors carried off a 6-0 triumph. Over-confidence caused this defeat to some extent, but Bradford had one exceptionally good back, quarterback Bob Murphy, and that was the margin of defeat. The Ghosts made a last desperate bid late in the quarter by driving to the Bradford three-yard line, but a short jump-pass was intercepted by Murphy and Bradford stalled out the game.

The Eureka Green Hornets journeyed to Cutright field and was handed a 39-12 setback. From the very beginning the game was never in doubt, as Chilli, intent on winning their first Illio game, would not be denied.

In the Farmington game, although the Ghosts were outscored 32-12, they weren't outplayed that much, as they matched the Farmers blow for blow except in the 2nd quarter, when they broke away for three td's.

The Ghosts returned home beaten, but not discouraged, as they prepared for an Illio tussle with Metamora. The Red Birds surprised the local gridders by scoring first, but the Ghosts came from behind to win 27-6.

Playing in the rain for the first time the Ghosts subdued their old rival, Dunlap, 34-0. Although the field was wet and muddy, Chilli still scored at ease and won their third conference game against one defeat.

Remembering last year's homecoming defeat at the hands of the Morton Potters, the Ghosts went into the game with vengeance in their hearts and were victorious 19-0. The game was easily Chilli's best game played to date. Things were looking bright as the team's record in league competition now stood at 4-1.

Over-confidence and Tremont nearly defeated the Ghosts one sunny day in the only afternoon game of the season, but Ghosts, after trailing at halftime 7-6, scored in the third quarter and then staved off a determined Tremont team in the fourth period to win 12-7.

Homecoming festivities were darkened somewhat by a highly aroused Washington eleven who dealt the Ghosts a 19-6 loss. The Panther team was practically unbeatable as their blocking, tackling, and running were working to perfection. Gasway was lost to the Ghosts for the remainder of the season with a broken cheekbone.

The last game of the season was played at Princeton where the Ghosts lost 14-6. The game could easily have been Chilli's as one touchdown was annulled by a penalty and others were fumbled away. Springer, an All-Stater was the margin of victory for the Tigers.

The Ghosts of '49 finished third in Illio competition and won 6 out of 10 in all games played. Many of the familiar faces seen on the gridiron the past season will be missing next year. These boys are: Bill LeMaster, Gilbert Jones, Captain LeVon Pence, Richard Zilm, Alan Taylor, Jack Murphy, Vince Cain, Lloyd Gasway, Don Rankin, Russell Sisk, Beecher Horton, and Russell Button.

Miller - Bill,

A plunging backfield man who was a valuable addition to the Chilli team. Look for him next year.

Horton - "Beech",

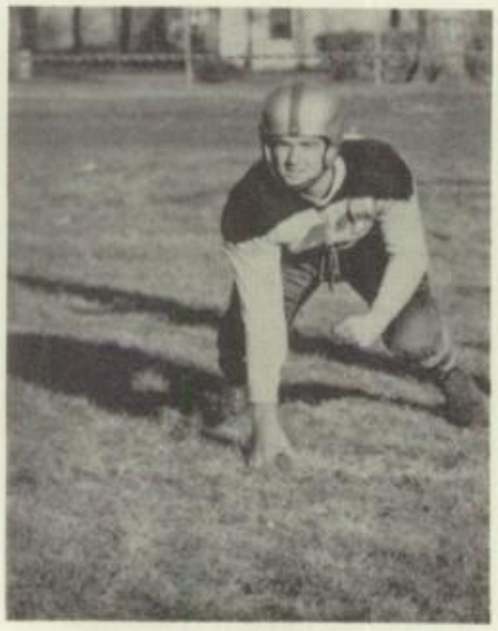
Played end and catching passes was his specialty. Also played well on defense.

Zilm - "Rich",

Linebacking was his specialty. A tough man in the clutch.

Razo - Bennie,

Chilli's fullback who knew how to throw a block and was an excellent runner. He'll be back.



LeMaster - "Boots",

The big guy of the Chilli line. He plugged the holes with his 15 shoes.

Jones - "Gib",

A broken nose hindered him none and he was rough and vicious at all times.

Sullivan - Bob,

A transfer student who upheld the Chilli team with powerful tackles.

Button - "Tape",

Speedy, shifty, and powerful were his assets. He stood out on both offense and defense.

Pence- "Pistol",

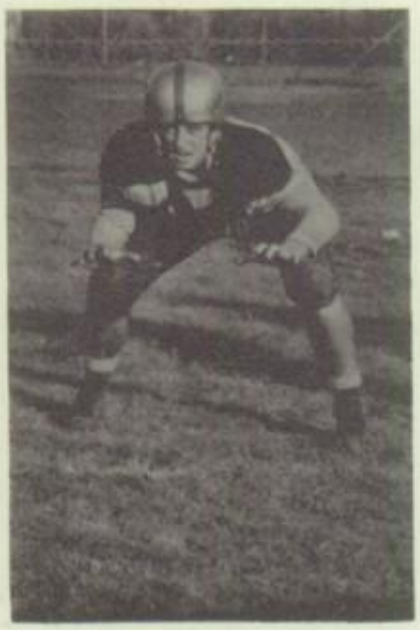
He was the team's diminutive captain and quarterback. His passing was seldom equalled and never surpassed.

Irions - Dick,

He pulled the team out of many tight spots with his punting. He will be back for 2 more years.

Taylor - "Zack",

He was a speedy halfback who skirted ends like he owned them and went for numerous gains.



Worrick - "Sarge",

A rough guy in any man's game. As a guard there were none better.

Murphy - "Murph",

Played about every position in the line but stood out as a center. He was a vicious man. He was elected the team's M. V. P.

Gasway - "Dud",

His nickname did not apply to football and he was always a live shell to the opposing team.

Cain - "Jet",

Well built and speedy, he contributed much from his half and full back spots.

Sisk - "Rasty",

Small but a deadly tackler, Especially noted for his defensive play.

GHOSTLINGS HIGHLITES

The Wee Ghosts showed local gridiron fans that football at Chilli High in the next few years would be very promising. Playing one of the toughest schedules ever undertaken by a Frosh-Soph team, the team looked surprisingly well in winning four and losing four. Most of the Sophomores will move up to the varsity next year to help it through a successful season while most of the Freshmen will remain with the F. S. team to help it through a successful season.

Ghosts Highlites

Opening the season with their traditional foe, Central, the "Ghosts", having only a week's practice, absorbed a 42-29 defeat. Maybe it was fate and, again, maybe it wasn't but the "Ghosts" also, ended their season against Central, losing 70-46 in the first game of the East Peoria Regional.

In between these two games were some games to be justly proud of and other games to be almost completely forgotten. Playing their last game in their old gym the "Ghosts" beat Brimfield 52-40, as Reese and Pence got 20 points each to pace the attack. Returning home after a few out of town games the team prepared to meet the Washington Panthers on their new gym floor. The Panthers walked off with a 58-27 win. The "Ghosts" were nervous, to some extent, playing before a capacity crowd and having a player quit the squad didn't help any. Two games the boys can be justly proud of are the Lacon and Henry games. Both of these games were played on foreign courts giving the home team the advantages; however the "Ghosts" came through in fine style. They quenched a desperate last minute rally by the Henry Mallards to win 47-45 and won in an overtime from a highly regarded Mid-County team 38-37, after leading throughout regular play. Although losing to Tremont 58-57 in an overtime, the boys can be somewhat proud of that game too. Behind by 7 points with less than 40 seconds to go the "Ghosts" tied it up at 53-53 just as the final gun went off.

It seems as if the opponents center always was a thorn in the Gray Ghost's side. Murdock of Elmwood led his team to a 65-34 win by scoring 29 points. Baylor of Farmington, although not the high point man, controlled both boards for his team. In the second game with Henry, Ziegler paced his team to a 45-38 win with 18 points. In the second game with Brimfield, Peters scored 17 points to pace the victory.

The "Ghosts" accomplished a feat this year that was seldom accomplished and that accomplishment was to hold Don Matthews, highly considered fellow for an All-State berth, to 14 points.

The leading scorer for the '49-'50 season was "Pistol" Pence with a total of 231 points. "Moose" Ramos was second with a total of 122 points. Babington, Reese, and Calvin followed in that order with 89, 85, and 82 points respectively.

The nucleus of next year's team will be Tom Calvin, Jon Babington, Al Ramos, Dick Smith, Don Lucas, and Ken Semtner. Lucas was coming along good toward the end of the season and Semtner should be vastly improved after playing his first year of basketball. These two are just Sophomores. Dick Irions and Kenny Boyle, two more Sophomores, will move up to the varsity from the second team and add further strength to a winning season.

Lost to the team through graduation were LeVon Pence, Don Rankin, Jim Casey, Jack Murphy, Bill LeMaster and Alan Taylor.

THE CAGE SPORT

Speed, quick thinking, initiative, and good sportsmanship are words that aptly describes the "Basketball Squad of 1949 and 1950". These qualities are gained only through much practice and hard work. as members and coaches of the squad can readily certify. Mistakes happen and a team sometimes loses, but this is all in the game of basketball. Sometimes the breaks are with you and sometimes they go against you, but this also is the game of basketball. A boy who really likes the game will play his heart out for a "team victory".

Our gymnasium is one of the most modern in central Illinois. It has a seat-capacity of 1,500 people. It is equipped with rollaway bleachers, huge stage and three locker rooms. The floor, as it easily seen in the picture, is one of high luster and is marveled at by the whole community.

"Our Cheerleaders"

Seen here cheering the team to victory are: Bonnie King, Barb Mooney, Joyce Fisher, and Jeanine Harney.

1949 Cinder Escapades

The 1949 edition of the Chillicothe High School track squad upheld the traditions of past Chilli track teams by placing high in every relay and dual meet on their schedule.

The first meet of the year was held in windy Peoria Stadium against a highly-touted Peoria Woodruff outfit which lived up to every word that was said about them. They swept past the "Grey Ghosts" in a crushing 83-30 verdict. It must be remembered, however, that the Woodruff team was one of the best in the state.

The next week, Chilli again ventured to Peoria and found a fast moving Peoria Central team every bit as tough as Woodruff was. This meet, despite the score of 77-36, showed that Chilli was definitely on the up grade, and this was proved by the "Grey Ghosts" easy 75-38 rout of East Peoria.

With the dual meets of the season over, Chilli turned to the Geneseo Relays, one of the toughest of the state. Since the enrollment at Chillicothe is less than 500, the "Ghosts" entered in the "B" class. The meet was close all the way with Hall Township barely edging out Coach Taylor's charges for first place in a field of 23.

The second annual Normal Relays was next on the agenda. The Taylormen were out to revenge their narrow loss of the crown in 1948, and revenge it they did. When the final tabulations were counted there wasn't a team close to the "Ghosts".

Gaining speed as they went along, Chilli next challenged a field of 32 at the Galva Relays, but try as they would, the "Ghosts" could not beat a determind Galva outfit and for the second time of the season wound up a major relay in second place.

The third annual Illio Conference Track Meet was the big event on the track schedule. The day was a perfect one and the Chilli team was about perfect too. From the very start of the meet there was no doubt in the minds of the spectators that Chilli would win for the third straight year. Morton made a desperate attempt to stop the Ghosts but fell short.

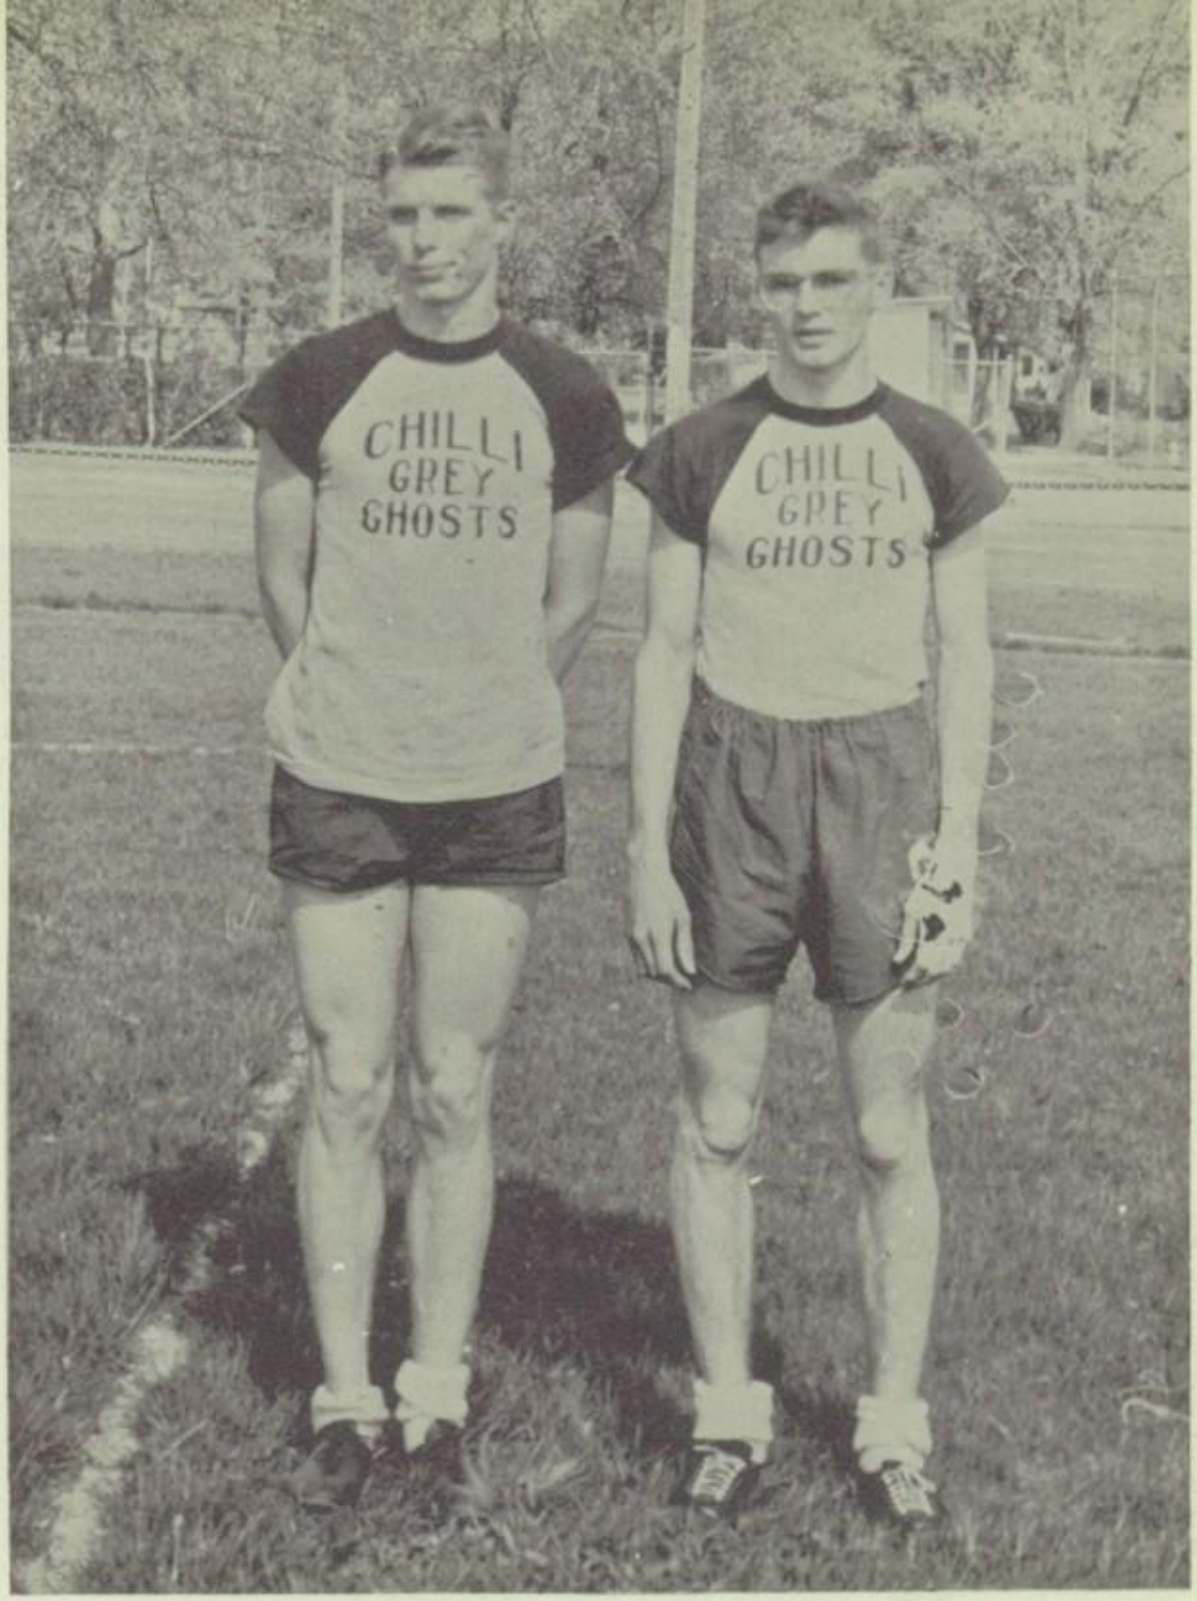
Chilli's top dashman, Alan Taylor, led the assault on the record book with a 10.5 hundred and a 23.4 two-twenty. Ellis Horton stepped the 440 in 54.4 and Russell Button the low hurdles in 24.2 for two more new records. The Freshman-Sophomore 880 relay broke record no. 4 as they sped the distance in 1:42.5, then to top off a perfect day Chilli's 880 yd. relay team flashed home in 1:37.2 and their fifth record of the day.

The final track meet of the season was the Geneseo Night Relays, Chilli made a good showing against a field of much larger schools and wound up third behind Sterling and Geneseo. The 880 yd. relay team again broke a record as Vince Cain, Jerome Augustine, Ellis Horton, and Alan Taylor turned in their best time of the year in 1:36.4.

Ellis Horton and Alan Taylor led in the scoring, but there was no top stars as everbody did their part.

The lettermen and their events are as follows:
Dashmen - A. Taylor, V. Cain, E. Horton, B. Gants.
Distance - E. Ordez, J. Carr, G. Adams, J. Augustine.
Weights - E. Worrick, L. Gasway, B. Gants, A. Arnold.
Hurdles - Horton, Gasway, Reese, Grabill, Richardson, Button.
Jumps - Murphy, Pence, Gasway, Grabill, Taylor.

CHILL
GREY
GHOSTS



Alan Taylor and Gordon Adams, these two names remind me of two stalwarts on the Chillicothe track team. Those two boys were always sure points at a track meet. "Zack", as he is known to most of his friends, started his track career as a member of the F-S relay team while still a Freshman. From then on he. developed into one of the speediest dashmen in Central Illinois. His Junior year was perhaps his greatest year as he was handicapped by a pulled muscle during the latter part of the 1950 season. "Zack" holds the Illio Conference record for the 100 yard dash and is co-holder of the 220 yard dash. He was on his way to setting a new record it the 220 when he pulled a leg muscle. Besides being a star trackman, "Zack" is a halfback on the football team. Sports aren't his only accomplishments as he ranks in the upper fourth of his class scholastically.

Gordon worked and trained hard in his Freshman and Sophomore years, but didn't come into very much of the limelight as another miler by the name of LaVerne Adams, Gordon's brother, had most of it. In his Junior year Adams was hampered toward the latter part of the season by a bad case of flu causing him to miss the Illio Conference track meet. In his Senior year Adams swept everything in his path. Some of his wins were as follows: the mile run at woodruff and Central, the mile run at Geneseo Relays, and the mile run at the Galva Relays. The District track meet held at Peoria Stadium on May 6. At the District Gordon finished third to Martens and Wagner of Woodruff, both of whom he had beaten in the early part of the season. However in getting third he qualified himself for the "State" and also established a record of 4:36.7 for future milers of Chilli High to shoot at. In the state Gordon finished tenth out of a field of more than thirty. Besides holding the school record Gordon also holds the record for the mile in the Illio Conference. Gordon participates in the half-mile and in the fall engages in cross country running. Gordon is also an honor student being Valedictorian of the Senior Class of 1950.

Together these boys have contributed much toward victories for the Chilli track squad. Besides their winnings they have contributed much more in the way of good sportsmanship and clean living and speech.

1950 Cinder Escapades

Chillicothe's 1950 Track Team started out their schedule on a cold and bleak day, but there was no coldness in the hearts of Chilli fans when the last event of the day was over. Yes, it finally happened, Chillicothe defeated Woodruff 60½ to 52½. This is the first year that Chillicothe has ever beat Woodruff and it marked a job well done, for Woodruff was again one of the track powers of the state.

If the Peoria schools thought that Peoria Central would slap down the upstart "Ghosts" in their second meet of the year, they were greatly surprised for Chillicothe handed Central one of the worst beatings that that school has ever received. The score was 80 1|3 to 32 2|3 and Coach George Taylor and his men went home well satisfied that they made up for all the defeats given them by the larger Peoria schools. Alan Taylor won the 100 and the 220 in both of these meets and iron man Gordon Adams did likewise with the mile and 880.

The third week of the season found Chillicothe at the Geneseo Day Relays. Chilli started off slow but finished with a rush that carried them past Hall Township and into their third straight victory.

Confident that they were on their way to one of the best seasons Chilli has ever had the "Ghosts" traveled to Normal to defend their crown at the Normal Relays. Things didn't go so well, however, and Chilli wound up a poor fourth. Princeton was the winner, a team that Chilli had beaten by 20 points at Geneseo.

The next meet on the schedule was the Galva Relays. It was held in near freezing temperature and on a rain soaked track, but Chilli once again proved they were good mudders by winning easily. Defending champion, Galva, was second.

The fourth annual Illio Conference Track Meet found Chillicothe going after their fourth straight title. The meet was held in the afternoon at Peoria Stadium and rain that morning made the track a rather slow one.

The "Ghosts" started off all right but disaster struck when Taylor pulled a leg muscle in the 220 and wound up third. This of course knocked him out of the 880 relay. More points were lost when Vince Cain was disqualified in the hundred for too many false starts. All in all Chilli wound up losing the meet by 8|10 of a point to hard fighting Morton. Morton too, was running in hard luck as their star pole vaulter was left home sick. Gordon Adams failed in his try to crack the mile record but still won handily.

The only record set by the "Ghosts" was the Freshman-Sophomore relay team that broke the tape in a neat 1:41.5. This relay team by the way had broken the school record earlier in the season by turning in a remarkable 1:40.9.

Taylor out for the year and pole vaulter LeVon Pence also handicapped by pulled muscles, Chilli qualified only one man for the State at the District in Peoria. This man, of course, was Gordon Adams who further lowered his school record in the mile in a sensational 4:36.7 effort.

Gordon again ran a good mile at the state, but just finished out of the running.

Coach George Taylor entered a few men at the Geneseo Night Relays and they too made a good showing.

Next year's track team should win their share and the year after that they should be good enough to win all the time.

The point-getters on the Chilli team were as follows:
Dashmen - Taylor, Cain, Jones, Smith, Brown, Rose.
Distance - Adams, Smith, Kaufman.
Weights - Bradley, Jones, Gasway, Predmore.
Hurdles - Gasway, Rankin, Jones, Richardson, McCabe, Taylor, Razo.
Jumps - Pence, Irions, Calvin, Gasway, Rankin, McCabe.

F-S Relay - Rose, Taylor, Draggist, Jones.

Baseball

Rain and cold weather held outdoor practices to a standstill and practices indoors were very limited. With just three outdoor practices under their belts the "Ghosts" traveled to Morton for a game with the Potters and came out on the short end 7-5. The "Ghosts" out-hit the Potters 8-2, but 7 walks kept Morton runners circling the bases. The Tremont Turks were next on the schedule and the "Ghosts" again went down to defeat 13-8. The Turks, who were eventually the Champions of the Illio Conference, hopped on Reese for 10 runs in the first three innings and the "Ghosts", although fighting back gamely, could not overcome the deficit. The Metamora Redbirds met the local nine on the Chillicothe diamond and were defeated 4-0. Reese, after a mediocre showing in his first two games, pitched a beautiful game and allowed only two hits. Chilli got only five hits off the offerings of Guth, but two of them were triples and these bunched with a couple of errors produced enough runs to win for the 'Ghosts". On a rainy afternoon the team went to Farmington on what appeared to be a wild goose chase, but by game time the rain had stopped and Chilli jumped off to a two run lead in the first inning. The "Farmers" promptly tied it up in their half of the first and the game was close for a few innings. Rain came in the fourth inning and three runs for Chilli came in the fifth. Three more runs were added in the sixth as insurance for an 8-3 Chillicothe victory. Draggist went the entire route for Chilli and gave up just five hits. After having one game rained out, by a cloudburst on April 10, the Panthers from Washington decided to try again on May 11. Try is about all they did as Reese surpassed his two hit shut-out against Metamora with a one hit shut-out against Washington. Two men reached base, one on an error and the other by a hit in the fifth inning. Reese struck out nine and walked none. Meanwhile his teammates jumped on "Toad" Fox for seven hits and the same number of runs and the ball game. The Green Hornets journed to Chillicothe from Eureka and were promptly stung 10-0. Draggist pitched for the "Ghosts" and his mates gave him a four run lead in the first inning. Russ, after practically assuring a Chilli victory, retired to right field in the fourth inning in favor of Gilbert Lopez. Gilbert, who never pitched a game before, went the rest of the way and did a very good job, allowing the Hornets only six scattered hits and no runs while striking out four. Chillicothe drew Woodruff in district play and on a cloudy afternoon traveled to Princeville to play the Warriors. Woodruff got off to a one run lead in the first inning without benefit of a hit. Two more runs in the fourth gave Woodruff its margin of victory as the "Ghost" scored one run in the fifth. Young, the Woodruff pitcher, gave up two hits, one run, and struck out twelve. Reese was almost as effective as he allowed only two hits, three runs, and struck out seven. Errors behind Reese proved to be Chilli's downfall. For the first season in three years baseball proved very successful at Chilli High. The prospects for coming years are on the bright side as only three boys are lost through graduation. Members of the squad were: D. Rankin, T. Baker, L. Pence, T. Calvin, D. Irions, B. Miller, B. Razo, G. Lopez, E. Reese, A. Ramos, D. Lucas, R. Draggist, C. Predmore, J. Casey, G. McCabe, K. Boyle, L. Bridgeman, R. Lewis, and D. Perry. Leading batters and their averages were: Pence .483, Lucas .385, Ramos .368, Reese .318, Razo .277, Calvin .238, Casey .235, Baker .250, and Predmore .250. In the slugging department Reese and Calvin both had two home runs, Reese had four triples, and Ramos had four doubles. Pitching records were, Reese 2-3 and Draggist 2-0.
